Dear Parents/Carers,

As we prepare to take some time off for half term, I want to take the opportunity for your continued support during the first part of Term 2. We have had an extremely busy half term and the children have been extremely hardworking both inside and outside of the classroom.

I would like to take this opportunity to thank all the staff who have shown great dedication to all the pupils in Tobermore Primary School. The children are very lucky to have such creative, passionate, and caring staff.

Please continue to check out our school website and school Facebook page to keep up to date with all that is going on in Tobermore Primary School over the second part of Term 2.

Homework

From Monday to Thursday your child receives homework from their teacher. This homework can be a learning homework, a written homework, or a reading homework. Homework is set to strengthen the already positive relationships that we have in Tobermore Primary School between staff and parents and to acknowledge the role that parents play in supporting their child's learning. Parents are key to helping support and develop their child's learning.

In addition, homework is set to allow you to see what activities your child is completing in school and how they are getting on in school and to continue to create a learning environment at home. In Foundation Stage and Key Stage 1 children will require more 1 to 1 support as they are learning key concepts such as letter sounds, number recognition, etc.

Please ensure that you check in your child's school bag or folder daily as it is an integral way of communicating with the school as well as allowing you to check and complete homework. We appreciate your support with this.

Internet Safety Day

The children worked very hard to learn more about Internet Safety Day in February. They worked extremely hard completing a variety of activities to learn the importance of keeping safe when online.

Constable Wendy Stevenson came into school to talk to all the children about keeping safe online too. Well done everyone for working so hard and keeping safe online.

Dogs Trust

A huge thank you to Cathy from Dogs Trust for coming into school and talking to our children about being safe around dogs. The children really enjoyed learning about how dogs act and how to keep safe around them.
