The Queen Acrostic Poem

“Jacinda.”

The Queen was a very kind woman and helped charities.

Her love for corgis and charity work.

Enough of what she has done so much she needed a break but she still kept going.

Question I would've asked her when I could "Do you like your duty as Queen?"

United with her now is her wonderful family, her Father and Mother and her Sister Margaret.

Enough the Queen was a lovely woman it is sad to hear that she has passed away this day she passed is sad.

Eventually she was an amazing ruler /

Now King Charles has taken her duty.
